Pot Plants. We carry at all times a large assortment in our Greenhouses.
In season we carry a complete line of vegetable plants and annuals.

Floral Arrangements. For weddings, parties and funerals.

Cut Flowers. For every occasion.

Tree Pruning is done by latest correct methods, bolting, treatment of disease, filling cavities, etc.

Planting is done by experienced men at reasonable cost.

Planning. Let us assist you in choosing articles adapted to your location. No charge for this service and estimates.

Seeds. A large assortment of garden, flower and grass seeds.

Terms and Conditions. Guarantee—Most of the failures with seeds, plants and bulbs are due to causes entirely beyond our control, such as unfavorable weather or soil conditions, too deep or too shallow planting, etc., which renders it impossible for us to guarantee success, and, although we take all possible care to supply only such goods as will, under proper conditions, produce satisfactory results, we give no warranty as to the description, quality or productiveness of any seeds, plants, or bulbs, we send out and will not be in any way responsible for the crop, and every order for articles named in this catalogue will be executed on these conditions, only it must, however, be plain to everyone who gives the matter the slightest thought, that it is to our best interests to send out only such stock as will not only grow but prove true to name and description. We assume no liability for stock lost in transit. Six of a kind at Dozen Rates, 25 of a kind at 100 rate. 250 of a kind at 1000 rate. All offers subject to confirmation by us on Receipt of Acceptance. Transportation and Planting of replaced stock to be borne by Purchaser.

STATE OF NEW YORK

Department of Farms and Markets
BERNE PYRKE, Commissioner

Certificate of Inspection of Nursery Stock.—

This is to certify that the Nursery Stock of the RIVERSIDE GARDENS, of Homer, County of Cortland, State of New York, was duly examined in compliance with the provisions of Article 14 of the Farms and Markets Law, and was found to be apparently free from any contagious or infectious disease or diseases, or the San Jose scale, or other dangerously injurious insect pest or pests. This certificate expires September 1, 1925.

Dated, Albany, N. Y., October 30, 1924.

BERNE A. PYRKE, Commissioner.

By GEO. G. ATWOOD,
Director Bureau of Plant Industry.
